Lavender Ridge Farms Inc. invites you to join us in celebrating the beginning of Fall. Our Fall festival will be held October 8-10, 2010 from 9-5 each day. Our Lavender festival on Memorial Day weekend was a great success and the Fall festival will be every bit as good. We had over 3500 shoppers and 26 vendors at the Lavender Festival with great sales by all and fun for all!

Lavender Ridge Farms is making plans for many different events to be held through out the festival. Pumpkin painting for children will be another draw and of course there will be food, music and other entertainment as well to attract an even bigger and more diverse crowd of people. This is a FREE event! No parking or admission fees. A great draw for the dollar conscious public.

We are inviting vendors of all types to bring their goods and set up under the beautiful shade trees that surround the lavender field creating a unique shopping experience for our guests. What more could you ask for, shopping on one side of you and a lavender field on the other side of you! It's the perfect set up. We attract customers for you with our flowers and beautiful setting and you attract customers for us with your goods.

We will have flyers and posters all around the Gainesville area, advertise in several local and metroplex newspapers as well as advertising in our email newsletter. If you would like to send postcards to your customer base or pass out flyers we will be happy to send them to you. Anything you do to help promote this event is even better for us all.

Vendors that would like to order and prepay for their lunch can have it delivered to your booth each day. As an added bonus for our vendors you will receive free lavender lemonade through out the event and we will be hosting a vendor appreciation cook out on Saturday evening that you won't want to miss. Please accept our invitation to be a vendor at our Fall Festival. It will be a great time for all. Please don't hesitate to email or call us with any questions.

Thank you,
