Art Attack!

Saturday April 18th from 10-6 is Art Attack!. This a FREE and yes, we did say free, event for everyone. We will have artist of all types from painting to jewelry selling their wares, good food and performances by North Texas Central College performing arts department as well as other local talent.

The drama dept. will be doing High School Non-Musical. I know that it will be a hoot! New this year will be wine tasting brought to us by Weinhof Winery in Forestburg, Tx. specializing in Texas Fruit Wines.

Basically, the weekend will just be a great excuse to get together and enjoy good friends and great entertainment. There are plenty of activities to keep adults and kids busy at the festival: Children's art tent, horseshoes, walking tours, wine-tasting, culinary demos, Frank Buck Zoo information/exhibit table, and of course, all the wonderful entertainment and vendors.

The **vendor application** is available on our website for those of you interested in becoming a vendor.

Strawberry Daze

The end of April and hopefully a little earlier our strawberries will be ready for picking. We planted 13,500 little plants in October so there will be plenty for everyone to pick. It is a great experience for children as well. We will be celebrating Strawberry Daze from the end of April through first part of May with cooking and jam making demonstrations and other events on weekends. There will be a special children's day on May 2nd with different activities for them to do. Come and enjoy picking fresh ripe strawberries for the family and also enjoy a strawberry dessert in the Café. We will have different strawberry dishes featured in the Café during this time. We will post the dates strawberries will be available to pick on the website as soon as we know they are ready.

Lavender Festival

Don't forget to mark your calendar!

May 23-25th, Memorial Day weekend will be our first Lavender Festival.

Vendors selling everything from antiques to handmade creations will be set up around the lavender field for shopping, performances on the stage, lots of good food, and of course the lavender will be at it's peak for cutting bouquets. Again anyone interested or if you know someone that would be interested in being a vendor please contact us. You definitely won't want to miss this event!
